

# Ben's Choice

*"I always strive for the best of everything and have always been very impressed with my Equipe saddles. They fit my horses correctly and are extremely comfortable. I wouldn't ride in anything else."*

**Ben Maher**

A combination of the highest technical standards, manufacturing precision and comfort come together to create each Equipe saddle.

Saddles can be made to measure to give perfect synchronisation between horse and rider. For us, the saddle is always something special.

- Bespoke craftsmanship
- Close contact feel
- The finest attention to detail
- Cutting edge technology

**E-CARBON** A masterpiece of Italian craftsmanship and absolute jewel of modern technology, Equipe's E-Carbon line of saddles with carbon tree guarantees to satisfy the needs of every horse-rider team, promoting total well-being and top athletic performance.
